We have placed ALL of our member names into a bowl to draw from every week. New members will be added to the drawing as they join.

On Mondays we will draw
FIVE Members to highlight on Facebook and in the newsletter
for the next week!

Your 'highlight' can be ANYTHING you want it to be. It can be promoting a special event, history, a great customer service story you would like to share, etc.

You can send a video (30 sec or less) or flyer (PDF or JPEG format). It must be received no later than the Friday the week before you are set to be highlighted. We will let you know what day you will be highlighted on Facebook

Once everyone has been drawn, we will start over again!

If you are a current member of the Sebring Chamber, you do not need to do anything extra to be included.

Congratulations to this weeks Marvelous Members. We look forward to hearing more from them next week:

Recycling centers are open!

All three of the County's recycling drop-off centers are now open!

Residents will be able to bring items to the recycling centers only during the posted hours of operation. See below for that information.

WHAT CAN BE RECYCLED?

- Glass
- Plastics (bottles, jugs, and jars)
- Steel, tin and aluminum cans
- Clean flattened cardboard
- Newspaper, junk mail, office paper (not shredded) and other non-coated paper

The plastic, paper, aluminum, and cardboard will all be combined into one bin, while glass will go into a separate bin. Bags used to transport recyclables to the drop-off center will need to be emptied and then disposed of as garbage (unless they are re-usable). **Plastic bags are not accepted.**

The on-site attendant will be able to answer questions, help residents deposit the items that can be recycled, and make sure the items are deposited in the appropriate recycling containers to avoid contamination.

Find more information online at highlandsfl.gov/departments/solid_waste/recycling.php.
